**WASHBURN COUNTY, WISCONSIN  
NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AWARDS  
AND STATE FINANCIAL ASSISTANCE  
DECEMBER 31, 2016**

**NOTE 1 REPORTING ENTITY**

Washburn County is governed by a board of supervisors consisting of twenty-one elected members.

The financial reporting entity for the County is based upon criteria set forth in generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The financial reporting entity is defined by GASB to consist of (a) the primary government, (b) organizations for which the primary government is financially accountable, and (c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

The basic financial statements of the County consist of the primary government and a discretely presented component unit as described below.

**Component Unit**

**Washburn County Industrial Development Agency, Ltd.** Washburn County Industrial Development Agency, Ltd. (Agency) was organized in 1989 by the County when the County received intergovernmental funds to finance a loan to a private business. Proceeds received from the repayment of this loan are being used by the Agency to finance other loans to local businesses to promote industrial development. The Agency is governed by a seven member board statutorily comprised of the county board chairman, finance committee chairman, county treasurer, corporation counsel and three public members appointed by the county board. The Agency receives no funding from nor provides any funding to the County. The Agency maintains its financial statements on a fiscal year ending June 30. Financial statements of the Agency for the year ending June 30, 2016 are presented in the County's 2016 audited basic financial statements as a discretely presented component unit. The Agency's financial statements are separately audited and can be obtained from Washburn County.

**NOTE 2 BASIS OF PRESENTATION**

The schedules of expenditures of federal awards and state financial assistance have been presented on a basis to reflect the flow of available funds in the individual programs as follows:

**Expenditures** – Expenditures are presented on the accrual basis of accounting. Grant expenditures represent the amount of program funds expended during the year.

**Receipts** – Receipts recorded under the Grant Reimbursement category represent actual program funds received by the County during the year. Receipts recorded under the Local Share category, if any, represent the amounts of local funds used to finance the County's share of program expenditures on selected programs.

**WASHBURN COUNTY, WISCONSIN  
NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AWARDS  
AND STATE FINANCIAL ASSISTANCE  
DECEMBER 31, 2016**

**NOTE 2 BASIS OF PRESENTATION (CONTINUED)**

**Accrued Reimbursement** – Amounts recorded as accrued reimbursements represent the excess of program funds expended over available program funds. Such amounts represent program funds receivable by the County, except as discussed in Note 4.

**Deferred Reimbursement** – Amounts recorded as deferred reimbursements represent available (unexpended) program funds held by the County.

**NOTE 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Washburn County has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**NOTE 4 ADJUSTMENTS TO BEGINNING ACCRUED (DEFERRED) REIMBURSEMENT**

Prior year adjustments included in the schedules of expenditures of federal awards and state financial assistance represent adjustments to the January 1, 2016 accrued (deferred) reimbursement balances of the individual programs based on subsequent funding of the programs in 2016 and/or adjustment of accruals resulting from prior year audit findings.

**NOTE 5 CDBG PROGRAMS REVOLVING LOAN FUND**

**Housing Rehabilitation**

The County was awarded Community Development Block Grants for financing housing rehabilitation loans. Repayments received by the County on these loans are recorded in a separate special revenue fund and are to be used to finance similar housing rehabilitation loans. The following is a description of the loans outstanding under the program at December 31, 2016:

**Owner-Occupied Loans.** The County had eighty (80) owner-occupied mortgage loans outstanding at December 31, 2016 totaling \$881,580. These notes become due and payable in full only "in the event that the maker:

- a. No longer continues to occupy the premises securing this note as a full-time residence, or
- b. Transfers any legal or equitable interest in the mortgage premises to anyone for any reason."

Receivables have been recorded in the special revenue fund in the amount of the outstanding balances on these loans and were equally offset by deferred inflow of resources recorded therein. Revenue is recognized in the special revenue fund as collections are received on these loans.

**WASHBURN COUNTY, WISCONSIN  
NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AWARDS  
AND STATE FINANCIAL ASSISTANCE  
DECEMBER 31, 2016**

**NOTE 5 CDBG PROGRAMS REVOLVING LOAN FUND (CONTINUED)**

Transactions of the revolving loan fund for the year ending December 31, 2016 are summarized as follows:

Fund Balance January 1, 2016	\$ 49,176
Loan Repayments	44,103
Interest Income	51
Loans Made from Fund	68,465
Administration Paid from Fund	<u>(119,828)</u>
Fund Balance December 31, 2016	<u>\$ 41,967</u>

The above transactions are not included in the schedule of expenditures of federal awards.

**NOTE 6 CLAIMS PAID VIA THIRD PARTY ADMINISTRATOR**

Amounts shown as paid via Third Party Administrator (TPA) are payments made by a TPA for County authorized services. The TPA makes payments directly to service providers, and receives reimbursement for these services directly from the Wisconsin Department of Health Services (DHS). The activity between the TPA and service providers is not recorded in the County's financial accounting system; however, DHS guidance dictates that these transactions are to be included in the Schedules of Expenditures of Federal Awards and State Financial Assistance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Honorable Members  
of the Board of Supervisors  
Washburn County, Wisconsin

We have audited, in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the discretely presented component unit, each major fund and the aggregate remaining fund information of Washburn County, Wisconsin (County) as of and for the year ended December 31, 2016, and the related notes to the financial statements, which collectively comprise the County's basic financial statements and have issued our report thereon dated September 27, 2017. Our report includes a reference to other auditors who audited the financial statements of the Washburn County Industrial Development Agency, Ltd., as described in our report on Washburn County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify certain deficiencies in internal control, described in the accompanying Schedule of Findings and Questioned Costs listed as items 2016-001 and 2016-002 that we consider to be material weaknesses.

Honorable Members  
of the Board of Supervisors  
Washburn County, Wisconsin

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our test disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Washburn County's Response to Findings**

The County's responses to the findings identified in our audit are described in the accompanying Schedule of Findings and Questioned Costs. The County's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL AND STATE PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND REPORT ON THE SCHEDULES OF EXPENDITURES OF FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE REQUIRED BY THE UNIFORM GUIDANCE AND STATE SINGLE AUDIT GUIDELINES**

Honorable Members of the Board of Supervisors  
Washburn County, Wisconsin

**Report on Compliance for Each Major Federal and State Program**

We have audited Washburn County, Wisconsin's (County) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended December 31, 2016. We have also audited the County's compliance with types of compliance requirements described in the *State Single Audit Guidelines*, issued by the Wisconsin Department of Administration that are applicable to each of its major state programs (including federal programs required to be tested as major state programs) for the same period. The County's major federal programs and major state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Component Unit**

Washburn County's basic financial statements include the operations of the Washburn County Industrial Development Agency, Ltd., which expended \$618,114 in federal awards that is not included in the schedule of expenditures of federal awards during the year ended December 31, 2016. Our audit, described below, did not include the operations of the Washburn County Industrial Development Agency Ltd. because it operates on a June 30 fiscal year-end and receives its own audit of expenditures of federal awards.

**Management's Responsibility**

Management is responsible for compliance with federal and state statutes, regulations, and the terms and conditions of its federal and state awards applicable to its federal and state programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of the County's major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance); and the *State Single Audit Guidelines*, issued by the Wisconsin Department of Administration. Those standards, the Uniform Guidance, and the State guidelines require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

Honorable Members  
of the Board of Supervisors  
Washburn County, Wisconsin

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination on the County's compliance.

### ***Opinion on Each Major Federal and State Program***

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on to each of its major federal and state programs identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs for the year ended December 31, 2016.

### **Report on Internal Control Over Compliance**

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal or state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major program and to test and report on internal control over compliance in accordance with the Uniform Guidance and State Single Audit Guidelines, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program less severe than a material weakness in internal control over compliance, yet important enough to merit attention of those charged with governance.

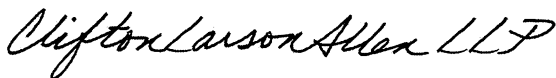

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the result of that testing based on the requirements of the Uniform Guidance and *State Single Audit Guidelines*. Accordingly, this report is not suitable for any other purpose.

Honorable Members  
of the Board of Supervisors  
Washburn County, Wisconsin

**Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance and Schedule of State Financial Assistance Required by State Single Audit Guidelines**

We have audited the financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Washburn County as of and for the year ended December 31, 2016, and the related notes to the financial statements, which collectively comprise Washburn County's basic financial statements. We issued our report thereon dated September 27, 2017, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards and schedule of state financial assistance are presented for purposes of additional analysis as required by the Uniform Guidance and State Single Audit Guidelines, respectively, and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards and schedule of state financial assistance are fairly stated in all material respects in relation to the basic financial statements as a whole.

**PART II: FINDINGS RELATED TO THE FINANCIAL STATEMENTS:**

**FINDING: 2016-001 Material Audit Adjustments**  
**MATERIAL WEAKNESS**

- Criteria:** The County should have controls in place to prevent or detect a material misstatement in the financial statements in a timely manner.
- Condition:** The audit firm proposed and the County posted to its general ledger accounts journal entries for correcting certain misstatements.
- Context:** The County has informed us that they will review adjustments proposed by us and will endeavor to minimize the number and amount of proposed adjustments in future audits, but will continue to rely upon the audit firm to propose such audit adjustments as are necessary to adjust accounts in accordance with Generally Accepted Accounting Principles (GAAP). Management will review and approve those entries prior to recording them.
- Cause:** The County has not established controls to ensure that all accounts are adjusted to their appropriate year end balances in accordance with GAAP.
- Effect:** The potential exists that financial statements of the County may include inaccurate information not detected or prevented by County staff.
- Recommendation:** The County should continue to evaluate its internal control processes to determine if additional internal control procedures should be implemented to ensure that accounts are adjusted to their appropriate year end balances in accordance with GAAP.

**Views of Responsible Officials and Planned Corrective Actions:** The County will continue to rely upon the audit firm to propose audit adjustments necessary to adjust accounts in accordance with GAAP. Management will review and approve these entries prior to recording them. The Financial Director is the official responsible for ensuring corrective action of the deficiency

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)**  
**DECEMBER 31, 2016**

**PART II: FINDINGS RELATED TO THE FINANCIAL STATEMENTS: (CONTINUED)**

**FINDING: 2016-002 Limited Segregation of Duties**  
**MATERIAL WEAKNESS**

- Criteria:** Generally, a system of internal control contemplates separation of duties such that no individual has responsibility to execute a transaction, have physical access to the related assets, and have responsibility or authority to record the transaction.
- Condition:** In some of the smaller County offices the available staff precludes a proper separation of duties to assure adequate internal control.
- Context:** The limited segregation of duties condition is applicable to the receipting, disbursement and journal entry transaction cycles as well as financial reporting functions of the County.
- Cause:** The limited size of the County's staff responsible for accounting and financial reporting functions precludes a complete segregation of incompatible duties. Additionally, policies and procedures over financial transactions in place during 2016 are not adequate.
- Effect:** The potential exists, due to the lack of segregation of duties, that a financial statement misstatement or misappropriation of assets caused by error or fraud may not be detected or prevented by County staff.
- Recommendation:** The County should continue to evaluate its staffing in order to segregate incompatible duties whenever possible.

**Views of Responsible Officials and Planned Corrective Actions:** The County continues to achieve segregation of duties whenever cost effective. The Financial Director is the official responsible for ensuring corrective action of the deficiency.
