

# 2015 Health Priority # 1 Alcohol, Tobacco, and Other Drug Abuse

## Substance Abuse

**Objective 1:** By 2020, reduce unhealthy and risky alcohol and other drug use by changing attitudes, knowledge, and policies, and by supporting services for prevention, screening, intervention, treatment, and recovery.<sup>32</sup>

### See Priority #1 Objective 1 Work Plan With Measureable Goals

**Objective2:** By 2020, assure access to culturally appropriate and comprehensive prevention, intervention, treatment, recovery support and ancillary services for underserved and socially disadvantaged populations who are at higher risk for unhealthy and risky alcohol and other drug use.<sup>32</sup>

### Not A Specific Priority, All Initiatives Will Target The Majority Of Our Population

**Objective 3:** By 2020, reduce disparities in unhealthy and risky alcohol and other drug use among populations of differing races, ethnicities, sexual identities and orientations, gender identities, and educational or economic status.<sup>32</sup>

Will Be Addressed Under Objective #1

## Tobacco Abuse

**Objective 4:** By 2020, reduce tobacco use and exposure among youth and young adults by 50 percent.<sup>32</sup>

### See Priority #1 Objective 4 Work Plan With Measureable Goals

**Objective 5:** By 2020, reduce tobacco use and exposure among the adult population by 25 percent.<sup>32</sup>

### See Priority #1 Objective 5 Work Plan With Measureable Goals

**Objective 6:** By 2020, decrease the disparity ratio by 50 percent in tobacco use and exposure among populations of differing races, ethnicities, sexual identities and orientations, gender identities, and educational or economic status.<sup>32</sup>

Will Be Addressed Under Objectives 4 And 5

**WASHBURN COUNTY Health Priority # 1: Alcohol, Tobacco, & other Drug Abuse**

**Wisconsin's Healthiest 2020 Objective 1:** By 2020, reduce unhealthy and risky alcohol and other drug use by changing attitudes, knowledge, and policies, and by supporting services for prevention, screening, intervention, treatment, and recovery. <sup>32</sup>

**Measureable Goal 1 of 2:** By 2020, Reduce Adult Arrests in Washburn County for Driving under the Influence by 25%

**Baseline:** 55, Washburn County Sherriff Department Arrest Log (2014)

**Data Source/Deliverable (proof):** Local Law Enforcement Arrest Logs

**Measureable Goal 2 of 2:** Explore Need to expand the NARCON Program and/or initiate a Needle Exchange Program

**Baseline:** New Initiative

**Data Source/Deliverable (proof):** Local Law Enforcement Arrest Log, Emergency Room Visit Summary Report, Death Report

Timeline					Action Steps	Responsible Entity
2016	2017	2018	2019	2020		
X					1. Continue & Support State & Federal Laws Related To Driving Under The Influence	Law Enforcement, Community
X					2. Continue & Support Law Enforcement Substance Abuse Prevention Activities	Local Law Enforcement Agencies

# 2015 Health Priority #3 Access to Care

## Health Disparities

**Objective 1:** By 2020, in partnership with members of affected populations, the Department of Health Services will develop and enforce policies and procedures to track social determinants of health, health outcomes and system effectiveness in populations experiencing health disparities. ***Comprehensive Data To Track Health Disparities.***<sup>32</sup>

**Objective 2:** By 2020, the Department of Health Services, in collaboration with policy makers, private institutions, and affected communities, will fund efforts to eliminate health disparities at least equal to the Midwest Average. ***Resources to Eliminate Health Disparities.***<sup>32</sup>

**Objectives 1 & 2 Are The Same, As We Are A Relatively Poor Community With Access To Health Care Issues.**

**See Priority # 3 Objective 2 Work Plan with Measurable Goals**

## Social, Economic, and Educational Factors That Influence Health

**Objective 3:** By 2020, state and local governments will develop and implement policies and programs that improve social cohesion and social support for all by reducing racism and other forms of discrimination; creating health-enhancing environments at home, in the workplace and throughout the community; and promoting the values of diversity and social connectedness. ***Policies to reduce discrimination and increase social cohesion.***<sup>32</sup>

**This Is Not a High Priority Given the Demographic Makeup of Washburn County**

**Objective 4:** By 2020, local, state, and federal governments will develop and implement health-[promoting policies and programs that reduce poverty to a residual level. ***Policies to reduce poverty.***<sup>32</sup>

**Numerous Programs Are Available To Washburn County Residents, Continue To Support and Increase Awareness Of**

**Objective 5:** By 2020, state and local governments will develop and implement educational policies and practices supporting healthy outcomes, including universal early childhood education, universal completion of at least high school equivalency, and curricula in each community that support cultural competency, valuing diversity, health literacy and informed decision-making about health. ***Policies to Improve Education.***<sup>32</sup>

**See Priority # 3 Objective 5 Work Plan with Measurable Goals**

# WASHBURN COUNTY Health Priority # 3: Access to Care

**Wisconsin's Healthiest 2020 Objective #2:** By 2020, the Department of Health Services, in collaboration with policy makers, private institutions, and affected communities, will fund efforts to eliminate health disparities at least equal to the Midwest Average. **Resources to Eliminate Health Disparities.**<sup>32</sup>

**Measurable Goal 1 of 1:** By 2020, The Percent of Washburn County Residents Who Report They Delayed Seeking Services Will Decrease 25% for each of the following; No Insurance, Cost too Much, Insurance Didn't Cover, Transportation, Hours of Operation, Unsure of What Services Were Available.

**Baseline:** 2015 Washburn County Community Health Assessment Survey. No Insurance: 19%, Cost too Much: 61%, Insurance Didn't Cover: 39%, Transportation: 8%, Hours of Operation: 13%, Unsure of What Services Were Available/Where to Go: 15%.

**Data Source/Deliverable (proof):** 2020 Washburn County Community Health Assessment Survey.

Timeline					Action Steps	Responsible Entity
2016	2017	2018	2019	2020		
X					1. Increase Awareness of services available in Washburn & Surrounding Counties	WCHD, Providers
X					2. Increase Awareness of available Financial Options	WCHD, Providers

## **2015 Health Priority # 4 Chronic Diseases, Prevention Of**

### **Chronic Disease**

**Objective 1:** By 2020, increase sustainable funding and capacity for chronic disease prevention and management programs that reduce morbidity and mortality.<sup>32</sup>

#### **See Priority # 4 Objective 1 Work Plan With Measureable Goals**

**Objective 2:** By 2020, increase access to high-quality, culturally competent, individualized chronic disease management among disparately affected populations of differing races, ethnicities, sexual identities and orientations, gender identities, and educational or economic status.<sup>32</sup>

**Objective 3:** By 2020, reduce the disparities in chronic disease experienced among affected populations of differing races, ethnicities, sexual identities and orientations, gender identities, and educational or economic status.<sup>32</sup>

**Objective 2 and 3 are very similar in that they both aim to increase access and decrease disparities related to chronic disease in the same population.**

#### **See Priority # 4 Objectives 2 & 3 Work Plan With Measureable Goals**

## WASHBURN COUNTY Health Priority # 4: Chronic Disease Prevention

**Wisconsin's Healthiest 2020 Objective #1:** By 2020, increase sustainable funding and capacity for chronic disease prevention and management programs that reduce morbidity and mortality.<sup>32</sup>

**Measurable Goal 1 of 1:** By 2020, The Percent of Washburn County Residents Who Report They Delayed Seeking Services Will Decrease 25% for each of the following; No Insurance, Cost too Much, Insurance Didn't Cover, Transportation, Hours of Operation, Unsure of What Services Were Available.

**Baseline:** 2015 Washburn County Community Health Assessment Survey. No Insurance: 19%, Cost too Much: 61%, Insurance Didn't Cover: 39%, Transportation: 8%, Hours of Operation: 13%, Unsure of What Services Were Available/Where to Go: 15%. **Data Source/Deliverable**

**(proof):** 2020 Washburn County Community Health Assessment Survey.

Timeline					Action Steps	Responsible Entity
2016	2017	2018	2019	2020		
X					1. Increase Awareness Of Available Resources in Washburn & Surrounding Counties	WCHD, Providers
X					2. Increase awareness of available Financial Options regarding Health & Dental	WCHD, Providers
