

Washburn County Zoning Schedule of Deposits (amended 2008)

Washburn County Zoning will make every effort to achieve compliance for zoning violations that would be “permissible” under normal circumstances. In those cases, after the fact (ATF) permit fees will be charged as part of the enforcement resolution. The following schedule of deposits pertains to activities or violations that are not allowed by the zoning code, or to activities where the violator(s) does not comply with Zoning Office attempts to resolve the case through ATF permit issuance. Citations **may** be issued on a per day basis.
