Monday 11/30/2020 from 6:00 pm until close

The Washburn County Health Department and Mary's Bluegill Bar Management are releasing this notification to ensure that any individuals who were at this establishment during the dates and times above can take steps to protect their health.

If you were at this location during the provided dates AND are experiencing symptoms of COVID-19, stay home, do not go to work and contact a healthcare provider to be tested. Symptoms may develop 2-14 days after exposure, so please continue to monitor yourself. Symptoms of COVID-19 include:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or Runny nose
- Nausea or Vomiting
- Diarrhea

For more information on COVID-19 Symptoms please visit <https://www.dhs.wisconsin.gov/covid-19/symptoms.htm>

Please note that an establishment appearing on a public exposure notification does not necessarily mean the establishment did something wrong, nor does it mean that the establishment should be closed. Mary's Bluegill Bar Management has taken necessary steps, in accordance with CDC, DHS, and Washburn County Health Department guidance, to ensure the health and safety of customers and staff following this potential exposure.

If you are in a public place, you should expect to come into contact with COVID-19. It remains important to protect yourself and others with frequent hand washing, physical distancing, wearing masks, staying home when you have any symptoms, and seeking testing.
