**FOR IMMEDIATE RELEASE: 2/18/2021**

### **Washburn County Health Department COVID-19 Vaccine Clinic Rescheduled**

Due to inclement weather in the Southern United States, shipment of vaccine for this week's Washburn County Health Department clinic has been delayed. The Health Department was notified Wednesday evening that the 100 doses allotted this week will not be arriving for the clinic scheduled on **Friday, February 19, 2021**. All scheduled appointments this week were for first dose only.

**If you scheduled an appointment for this week's clinic, you will receive a call from the Health Department to reschedule your appointment. No action is required on your part.**

If you registered online or provided your e-mail address when registering by phone, you will receive updated confirmation emails for your first and second dose appointments with the new dates. If you schedule vaccination elsewhere before the rescheduled clinic date, please call the Health Department at 715-635-4400 to cancel your appointment.

The Washburn County Health Department is **not** receiving any first doses of vaccine for the week of February 22, 2021. The Health Department will be receiving second doses only. The next opportunity to sign up for new first dose appointments will be **Monday, March 1, 2021 at 8:30AM** if vaccine is allotted. Online registration is encouraged and can be done at <https://www.washburncodisaster.org/>. Individuals unable to utilize online registration can call the Health Department at 715-635-4402 starting at 8:30AM. Please do not call to schedule an appointment before registration opens. We do not have a wait list.
