

Traveling

Domestically or Internationally

The State of Wisconsin recommends postponing or canceling ALL travel plans, including travel within the state. The best way to protect yourself, your family, and your friends is to postpone your travel.

If Traveling:

International

- Check travel restrictions
 - [CDC](#): Recommendations by Destination
- Get tested 1-3 days before you leave
 - Must have test results before leaving
 - Or proof of recovery
- Keep test results with you at all times
- Follow all COVID-19 precautions

For more information:

[cdc.gov/coronavirus/2019-ncov/travelers/testing-air-travel.html](https://www.cdc.gov/coronavirus/2019-ncov/travelers/testing-air-travel.html)

Domestic

- Check travel restrictions before you go
 - [CDC](#): Travel Planner
- Get your flu shot before you travel
- Bring supplies (ex: masks and hand sanitizer)
- Know when to delay your travel
- Consider testing 1-3 days before you leave
- Follow all COVID-19 precautions

For more information:

[cdc.gov/coronavirus/2019-ncov/travelers/travel-during-covid19.html](https://www.cdc.gov/coronavirus/2019-ncov/travelers/travel-during-covid19.html)

Health departments are currently focusing on COVID-19 response and may not have the ability to provide travel documentation. Check on the required travel documents and your ability to obtain them early.

After Travel:

Keep at least 6ft from others

Wear a mask

Wash hands often

International travel: test 3-5 days after and stay home for 7 days

International travel: no testing and stay home for 10 days

▶ Consider testing after domestic travel

Continue to monitor your health for a full 14 days after travel. Get tested if symptoms start to develop.

Before traveling check with your employer and educational and childcare facilities for their specific travel policies during the pandemic.
